## AVM-WS-V-L1 WEATHERSHIELD

WEATHERSHIELD FOR MOTORIZED LARGE VANDAL DOME CAMERAS

The AVM-WS-V-L1 is a weathershield accessory designed for use with our Varifocal / Motorized Vandal Dome cameras. Constructed with polycarbonate and topped with a surface spray treatment, this accessory protects cameras from harsh elements of outdoor weather such as rain, snow, and sunlight, effectively preventing UV and color damage. Installation is convenient and straightforward as it only requires a few provided screws.

### FUNCTIONS

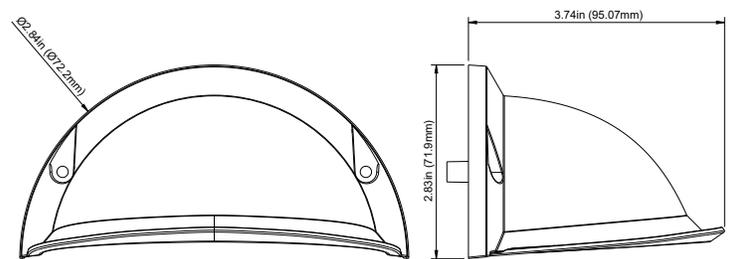

- Polycarbonate material with surface spray treatment
- Protects camera from harsh weather elements
- Effectively preventing UV and color damage
- Straightforward installation
